

DO YOU HAVE EDUCATION AND EXPERIENCE IN AGRICULTURE?

Language and Communication for Internationally Educated Agrologists

We are now accepting applications for our Spring 2008 Program. The program will run for two evenings a week for 16 weeks, starting March 10, 2008. LACFIEA is free of charge for qualified applicants in agricultural fields such as farming, agricultural engineering, animal sciences, plant sciences, seed sciences, soil sciences, entomology, agronomy, agri-business, agricultural economics, and many others.

Basic eligibility requirements

- Permanent resident of Canada
- Canadian Language Benchmark 7 or better
- Clear goal of working in agriculture

Participants work on

- English language skills in an agricultural context (reading, writing, speaking, listening)
- Cross cultural awareness
- Strategies for communicating with potential employers
